PLEASE TAKE NOTICE that on Wednesday, July 19, 2006, at 10:00
O'Clock A.M., or as soon after as Judgment/Order Creditor Lafonza
Earl Washington, in propria persona, can be heard, at the United
States Bankruptcy Court for the Southern District of New York
Courthouse, located at One Bowling Green, Court Room No. 610, in
the City of New York, County of Kings, State of New York, enforce-
ment of Ex Parte Applications (that Law Clerk John Lucas without
any judicially vested authority "judicially" decided that a Notice

must be made on, in this "IN RE" proceeding where there is no "OPPONENT"), will be made on behalf of the above-named Judgment/Order Creditor and Applicant to immediately pay the claims using electronic transfer to the designated bank account at JPMorgan Chase Bank N.A., in Flint, Michigan, and if delayed or denied or wrongfully deprived further the court is required to issue an Order of civil commitment of a person or persons who are in repeated and continuous contempt of the October 8, 2005, court's order on the grounds that:

1. The Federal laws have provided self-executing remedies and redresses for these long-termed, well-known property injuries causing deliberate human rights, civil rights, private antitrust rights etc., activities by the contemnors deliberate "7" plus years of compounding losses of 100% of any/all human necessities for money to buy food, clothes, a motor vehicle, the family's exempt homestead, medicine or needed health care, household necessities, entertainment, vacations etc., that became customary during the "33" years employer and employee relationship with General Motors, Delphi Corp., and the UAW.

2. The October 8, 2005, judgment/order remains in force, it is of itself conclusive of the right of this judgment/order creditor to the Human Capital Obligations, Cash Management etc., Orders and matters adjudged favorably which entitles me the right to process, "MESNE or FINAL" to execute this judgment/order. See CHRISTMAS - V - RUSSELL, 72 US 290, 5 Wall 290, 18 LEd 475 that is applicable to New York and Michigan under the Full Faith and Credit Clause, the Supremacy Clause etc., of Articles 4 and 6 § 2 of the U.S. Constitution.

3. As long as the October 8, 2005, Human Capital Obligations,

Cash Management etc., judgments/orders remains unsatisfied, all means open by law are open to this creditor for the satisfaction of these debts and this creditor has the right to avail of any remedy which the legislature provides as a means of, or as an aid in, enforcing this judgment/order. See STATE EX REL. MATHER -V- CARNES (Mo App) 551 SW2d 272; BONO SAWDUST SUPPLY CO. -V- HAHN & GOLIN (2d Dept) 3 App Div 2d 221, 159 NYS2d 725.

4. It is the policy of the law to assist rather than to make it more difficult for the judgment creditor to enforce the judgment, herein! See COUNTY TRUST CO. -V- BERG, 65 Misc 2d 533, 318 NYS2d 154.

5. The Voluntary Petition filed by the Delphi Corporation authorizing automatic duties of liabilities owed to this Claimant, that was/is "BOUND" to be complied with to obtain benefits of multi-billions of dollars to maintain debtor-in-possession rights to these monies were both a distinguishable consent judgment(s) and a judgment on the merits in which the facts that the Proof of Claims are based on were "NOT" contested nor objected to and for "ENFORCEMENT" purposes both kinds of these judgments are on par. See THIRD NAT'L BANK -V- SCRIBNER, 212 Tenn 400, 370 SW2d 482.

6. Every court that has jurisdiction to render a particular judgment/order has the inherent power to enforce it and this court is "BOUND" to enforce this Creditor's claim without further unjustified delay. See DIXIE HIGHWAY EXPRESS, INC. -V- UNITED STATES (SD Miss) 268 F Supp 239.

7. The Federal District Court of the Southern District of New York which the U.S. Bankruptcy Court for the Southern District of New York is a division of, has the authority and the duty to protect and

effectuate its prior judgments/orders and Claimant is entitled to "10" months worth of - yet - accruing "penalties" and "fines" to be paid directly to Claimant due to these violations of disobeying statutory orders by contemnors. See UNITED STATES -V- WASHINGTON (WD Wash) 459 F Supp 1020, app dismd (CA9 Wash) 573 F2d 1117 and affd (CA9 Wash) 642 F2d 1141; McCAIN -V- DINKINS, 84 NY2d 216, 616 NYS2d 335, 639 NE 2d 1132, motion den 84 NY 2d 846, 617 NYS 2d 132, 641 NE 2d 152.

8. This court's exercise of its rights in this case also acquired a required duty to make its decrees effective, and prevent evasions of its Orders entered on October 8, 2005, yet, "10" months afterwards this court's Orders being complied with are continuing to be evaded by certain contemnors. See BAND -V- LIVONIA ASSOCIATES, 176 Mich App 95, 439 NW2d 285, app den 433 Mich 920.

9. The essence of paramount judicial power over a subject confers the authority and imposes the duty to enforce its judgment/order rendered in the exercise of such power, yet, remaining unenforced since October 8, 2005. See PORTO RICO -V- ROSALY Y CASTILLO, 227 US 270, 57 L Ed 507, 33 S Ct 352.

10. This Court has a legal right and corresponding duty to protect its jurisdiction and to enforce its judgments/orders as opposed to submitting to the conspiracies of monopolistic corporations such as Delphi, GM, the UAW etc., seditious overthrowing of bankruptcy and banking laws using generation from generation frauds etc.! See GRAND INTERNATIONAL BROTHERHOOD OF LOCOMOTIVE ENGINEERS -V- MARSHAL (Tex Civ App) 157 SW2d 676.

11. The court should see to it that its judgment/orders are

enforced when this bankruptcy court was asked to do so - repeatedly by this Claimant - by the issuance of the necessary Orders and appropriate processes to make the October 8, 2005, judgment/order effective. See STATE -V- MILLER, 169 Kan 1, 217 P2d 287; SECURITY TRUST & SAV. BANK -V- SOUTHERN P. R. CO., 6 Cal app 2d 585; BIDDLE -V- BIDDLE, 150 NY super 185, 375 A2d 285.

12. After repeatedly receiving this Claimant's Applications, this Court in the exercise of its duties to administrate justice and timely administrate its "OWN" orders dated October 8, 2005, it is "BOUND" on the court to issue order to its court officer to carry out the demanded judgment/order of the court herein. See SMITH -V- FOSS, 177 Mont 443, 582 P2d 329.

13. The court's inherent power to enforce its decrees may at time justify the court to go beyond the parties requests which is demanded herein. See JOHNSON -V- JOHNSON (Alaska) 544 P2d 65.

14. This U.S. Bankruptcy Court has the power and authority to exercise equitable control over its enforcements. See WELSER -V- WELSER, 54 NJ Super 555, 149 A2d 814.

15. The jurisdiction of this court to enforce its judgments and decrees is coextensive with its jurisdiction to determine the rights of the parties to the controversy in which no controversy, contest, objection exist against claimant's claim based on the Voluntary Petition statute granting statutory Order for relief imposing on the Delphi Corp., the duties of paying this claim to balance the multi-billions of dollars of benefits received on "OCTOBER 8, 2005" as the debtor-in-possession.

16. This court is "NOT" an independent judiciary if it continues to submit to the threats, terrorizations and control of Delphi Corp., GM, the UAW, SKADDEN, ARPS, SLATE, MEAGHER & FLOM LLP et al, as opposed to exercising the court's power to enforce Lafonza Earl Washington's entitled order and decree under the Human Capital Obligation and Cash Management subject matters favorably adjudicated on October 8, 2005, that is essential to an independent judiciary and the efficacy of its orders and decrees where original jurisdiction was required over this petition of the Delphi Corp.; such power springs from the United states Constitution, "NOT" from special interests of the legislature. See STATE EX REL. BRUBAKER -V- PRITCHARD, 236 Ind 222, 138 NE2d 233, 60 ALR2d 1239.

17. To deprive this court of power to execute Lafonza Earl Washington's payment order or decree is to impair its jurisdiction and mandating that every dime transfered within this case since October 8, 2005, be "RETURNED" to the guarantors of the Guaranty Agreement, the Term Loans, the Revolving Credit lenders JPMorgan Chase Bank N.A., Citigroup USA Inc. etc., then refiling of this bankruptcy frauding, bank frauding etc., petition in the United States Bankruptcy Court for the Eastern District of Michigan, Southern Division! See CENTRAL NATIONAL BANK -V- STEVENS, 187 US 371, 42 L Ed 221, 23 S Ct 142.

18. This Court's authority extends to the issuance of such orders and writs as may be necessary to carry the October 8, 2005, Human Capital Obligations and Cash Management judgment/orders into effect and render them binding and operative. See VIRGINIA -V- WEST VIRGINIA, 246 US 565, 62 L Ed 883, 38 S Ct 400; WASHINGTON-DETROIT THEATRE CO. -V- MOORE, 249 Mich. 673, 229 NW 618, 68 ALR 105.

19. If a judgment/order is sought to be perverted and made the medium of consummating a wrong, the court, on proper application can prevent it and this is proper application to this court to prevent the "10" month wrongs of nonenforcement of its October 8, 2005, Human Capital Obligation and Cash Manageemnt orders and disbursements be immediately applied to the satisfaction of the money demands herein. See RANDALL -V- HOWARD, 67 US 585, 2 Black 585, 17 L Ed 269.

20. No order may be made by a court in the enforcement of a judgment which would, in violations of due process, take from a litigant substantive property rights and Claimant Washington asserts and clearly evidences that to require a "Notice of Hearing" on a "10" month old "delinquent" payment of court-ordered to be paid monies in an "IN RE" case where there is no adverse party to be "NOTICED" according to law, is unquestionably the wrongful and illegal taking of-even-money to survive on or buy food, clothes, the illegally seized homestead etc., and these "NOTICE" conspiracies by John Lucas the law clerk of Judge Robert D. Drain, exercising violations of "REVERSE" due process to compound previous prohibited obstructions of justice, are seditious and subversive deprivations of rights under color of bankruptcy and banking laws! See COMMIS-
SIONERS OF SINKING FUND -V- PHILADELPHIA, 324 Pa 129, 188 A 314, 113 ALR 202.

21. This court has considerable discretion in choosing the means to be employed in enforcing its judgment/order demanded herein, by any appropriate action which is lawful. See TWEEDIE CONSTR. CO. -V- STOESSER (3d Dept) 65 App Div 2d 657, 409 NYS2d 444; BAND -V- LIVONIA ASSOCIATES, supra; UNITED STATES -V- WASHINGTON, supra.

22. Money judgment/orders are enforced by various methods and may be enforced by an Order Directing the judgment/order debtor the Delphi Corp., JPMorgan Chase Bank N.A., Citigroup USA Inc., et al, to pay this judgment/order Creditor the amount of the judgments, on Motion For Payment. See RENTALS UNLIMITED, INC. -V- ADMINISTRATOR, MOTOR VEHICLE ADMINISTRATION, 286 Md 104, 405 A2d 744.

23. A Federal District Court on its law side has power to enter only a judgment in favor of the named plaintiffs, where it is asserted that this Bankruptcy Division of this Federal District Court has power to enter only a judgment/order in favor of this judgment/order creditor Lafonza Earl Washington and the judgment/order is enforceable "ONLY" by execution through its ministerial officers. See McNARY -V- GUARANTY TRUST CO. (DC Ohio) 6 F Supp 616.

24. This court is demanded to immediately invoke its "CONTEMPT" power in enforcing the judgment/order on behalf of this Claimant. See LINTON -V- LINTON, 166 Ind App 428, 339 NE2d 96; AKERS -V- STEPHENSON (Ky) 469 SW2d 704.

25. This court is demanded to immediately issue a writ of injunction necessary to make its judgment/order effective, if necessary. See HALE COUNTY -V- DAVIS (Tex Civ App Houston - 14th Dist) 572 SW2d 63, writ ref n r e (Jan 31, 1979).

26. This is "NOT" a common-law court of inflexible decisions made by man, is asserted to be a court of equity or chancery which controls its own judgments/orders and has inherent power to enforce its decrees, to control the manner of its execution, and to modify by a subsequent order, the manner in which it shall be enforced. See BIDDLE -V- BIDDLE supra; WELSER -V- WELSER supra; ILLINOIS NAT'L BANK -V- GWINN,

27. This court has jurisdiction to effectuate its decree for the entering of Human Capital Obligations and Cash Management orders dated October 8, 2005, by appropriate process, including the imposition of penalties, attachment, contempt, injunction and sequestration, and is requested to use either or any combination of these processes to immediately enforce payment of the claims herein. See BIDDLE -V- BIDDLE, 150 NJ Super 185, 375 A2d 285.

28. This court, a court of equity "will" always find the means of enforcing its decree against a delinquent defendant or debtor-in-possession in this matter and its power in this respect is as extensive as the "EXIGENCIES" of the case! "7" plus years of 100% losses of all monies to eat, live, protect the homestead from being wrongfully seized "10" months ago, buy clothes, buy the necessities of even one "1" new and safe motor vehicle notwithstanding having contributed to producing 3,000,000 plus for GM, Delphi etc., provide for self; wife, and help support other family members self-evidences the emergency, urgent, pressing, remedy of immediate money needed and legally owed to prevent further unnecessary human suffering being inflicted upon this Claimant and family by the monopoly combinations of Delphi, GM, the UAW et al, who are benefiting from causing this holocaust! The exigencies of Lafonza Earl Washington obtaining this relief on any emergency basis should be understood by any reasonable person. See JOHNSON -V- JOHNSON (Alaska) 544 P2d 65; KOSHABA -V- KOSHABA, 56 Cal App 2d 302, 132 P2d 854.

29. Further exigencies are clearly evidenced according to the deprivations of rights under color of law that have been recognized

and redressed by the U.S. Bankruptcy Court for the Southern District of New York in, IN RE Adler, Coleman Clearing Corp., 247 B.R.51 (1999), that is requested to be applied to the Washington Claims herein based on Delphi Corp., GM Corp., the International UAW et al, "deceiving government regulators", the same as "Adler" engagement in frauds, that it had a right to file the bankruptcy petition in the New York federal district although documents filed within the petition on October 8, 2005, showed, "SCHEDULE 1, PENDING BANKRUPTCY CASES OF AFFILIATES, The following affiliates, which include the Debtor, have filed voluntary petitions under chapter 11 with this Court, on the 'DATE' hereof", which was October 8, 2005, which is admissions of "NOT" having a pending case to become statutory "JOINDERS" in establishing jurisdiction frauds, deliberately.

30. To state a claim for aiding and abetting fraud under New York law a plaintiff must allege, (1) the existence of an underlying fraud, (2) knowledge of this fraud on the part of the aider and abettor, and (3) substantial assistance by the aider and abettor in achievement of the fraud, in which "ALL" three requirements were/are engaged in by the conspiracies, bankruptcy frauds, bank frauds etc., of John D. Sheehan Vice President and Chief Restructuring Officer of Delphi Corp., John Wm Butler Jr., Attorney at SKADDEN, ARPS, SLATE, MEAGHER & FLOM, LLP (S, A, S, M & F, LLP) located in Chicago, Illinois, Kayalyn A. Marafioti, Attorney at S, A, S, M & F, LLP located in New York, New York, Thomas J. Matz, Attorney at S, A, S, M & F, LLP located in New York, New York, Kathleen Farrell-Willoughby the Clerk of the U.S. Bankruptcy Court for the Southern District of New York, JPMorgan Chase Bank N.A., Citigroup USA, Inc., John Lucas purported law clerk of Judge Robert D. Drain et al, that

are continuing to violate decreed orders of this Court as well as compound the human rights or Federal rights guaranteed to be protected under the equal protection of these property rights, privileges etc., under the Fourteenth Amendment.

31. According to an Order evoking stare decisis noninterference with the Southern District Court of New York's previous Order, holding that an "individual may not secure 'PERSONAL' recovery for alleged wrong done to his corporation under 'ANTITRUST' laws", directly supports this Claimant's private antitrust demands for 'TREBLE' damages based on "7" plus years of deliberate prohibited restraints by the Delphi, GM et al, monopolistic combinations caused 100% property injuries including being restrained 100% from engaging in purchasing, buying, selling, holding, coveying, disposing or any trading whatsoever in the free or required to be free flow of trade and commerce by 100% illegal seizure and deprivations to legally owed monies accrued during the "33" years of the employer and employee relationship with GM, Delphi! See COSTELLO -V- PAN AM WORLD AIRWAYS, INC., S.D.N.Y. 1969, 295 F.Supp. 1384; ROYSTER DRIVE-IN THEATRES -V- AMERICAN BROADCASTING-PARAMOUNT THEATRES, INC., C.A.2 (N.Y.) 1959, 268 F2d 246, certiorari denied 80 S Ct 156, 361 U.S. 885, 4 LEd 2d 121.

32. The substance or solid character of events and material possessions "NOT" merely shadows or appearances should determine the nature, effect and sufficiency of a favorable hearing with the conclusion resulting in the ministerial enforcement officers immediately obtaining the monies owed on the grounds urged above in the sum certain of \$304,613,013.00 that includes 15% interest accruing since September 6, 1999 and continuing until paid in full,

principal of \$120,000,000.00, costs of \$30,000,000.00 but no attorney fees have been calculated nor is at issue.

This Notice is served in accordance with this Claimant and family's Public Health and Welfare Federally guaranteed protections provided by Title 42 USC § 1983, Title 15 USC § 15, as well as the Federal Rules of Bankruptcy Procedure, Rules 2019 (b) (2), 5005 (a) (1), 9013 etc., and the Federal Rules of Civil Procedure Rules 4.1 (a) and (b), 5, 8, 64, 69, 70, 77 (a), (b) and (c), and 79, and in support of this Application petition, the following papers will be filed:
